New Beginnings

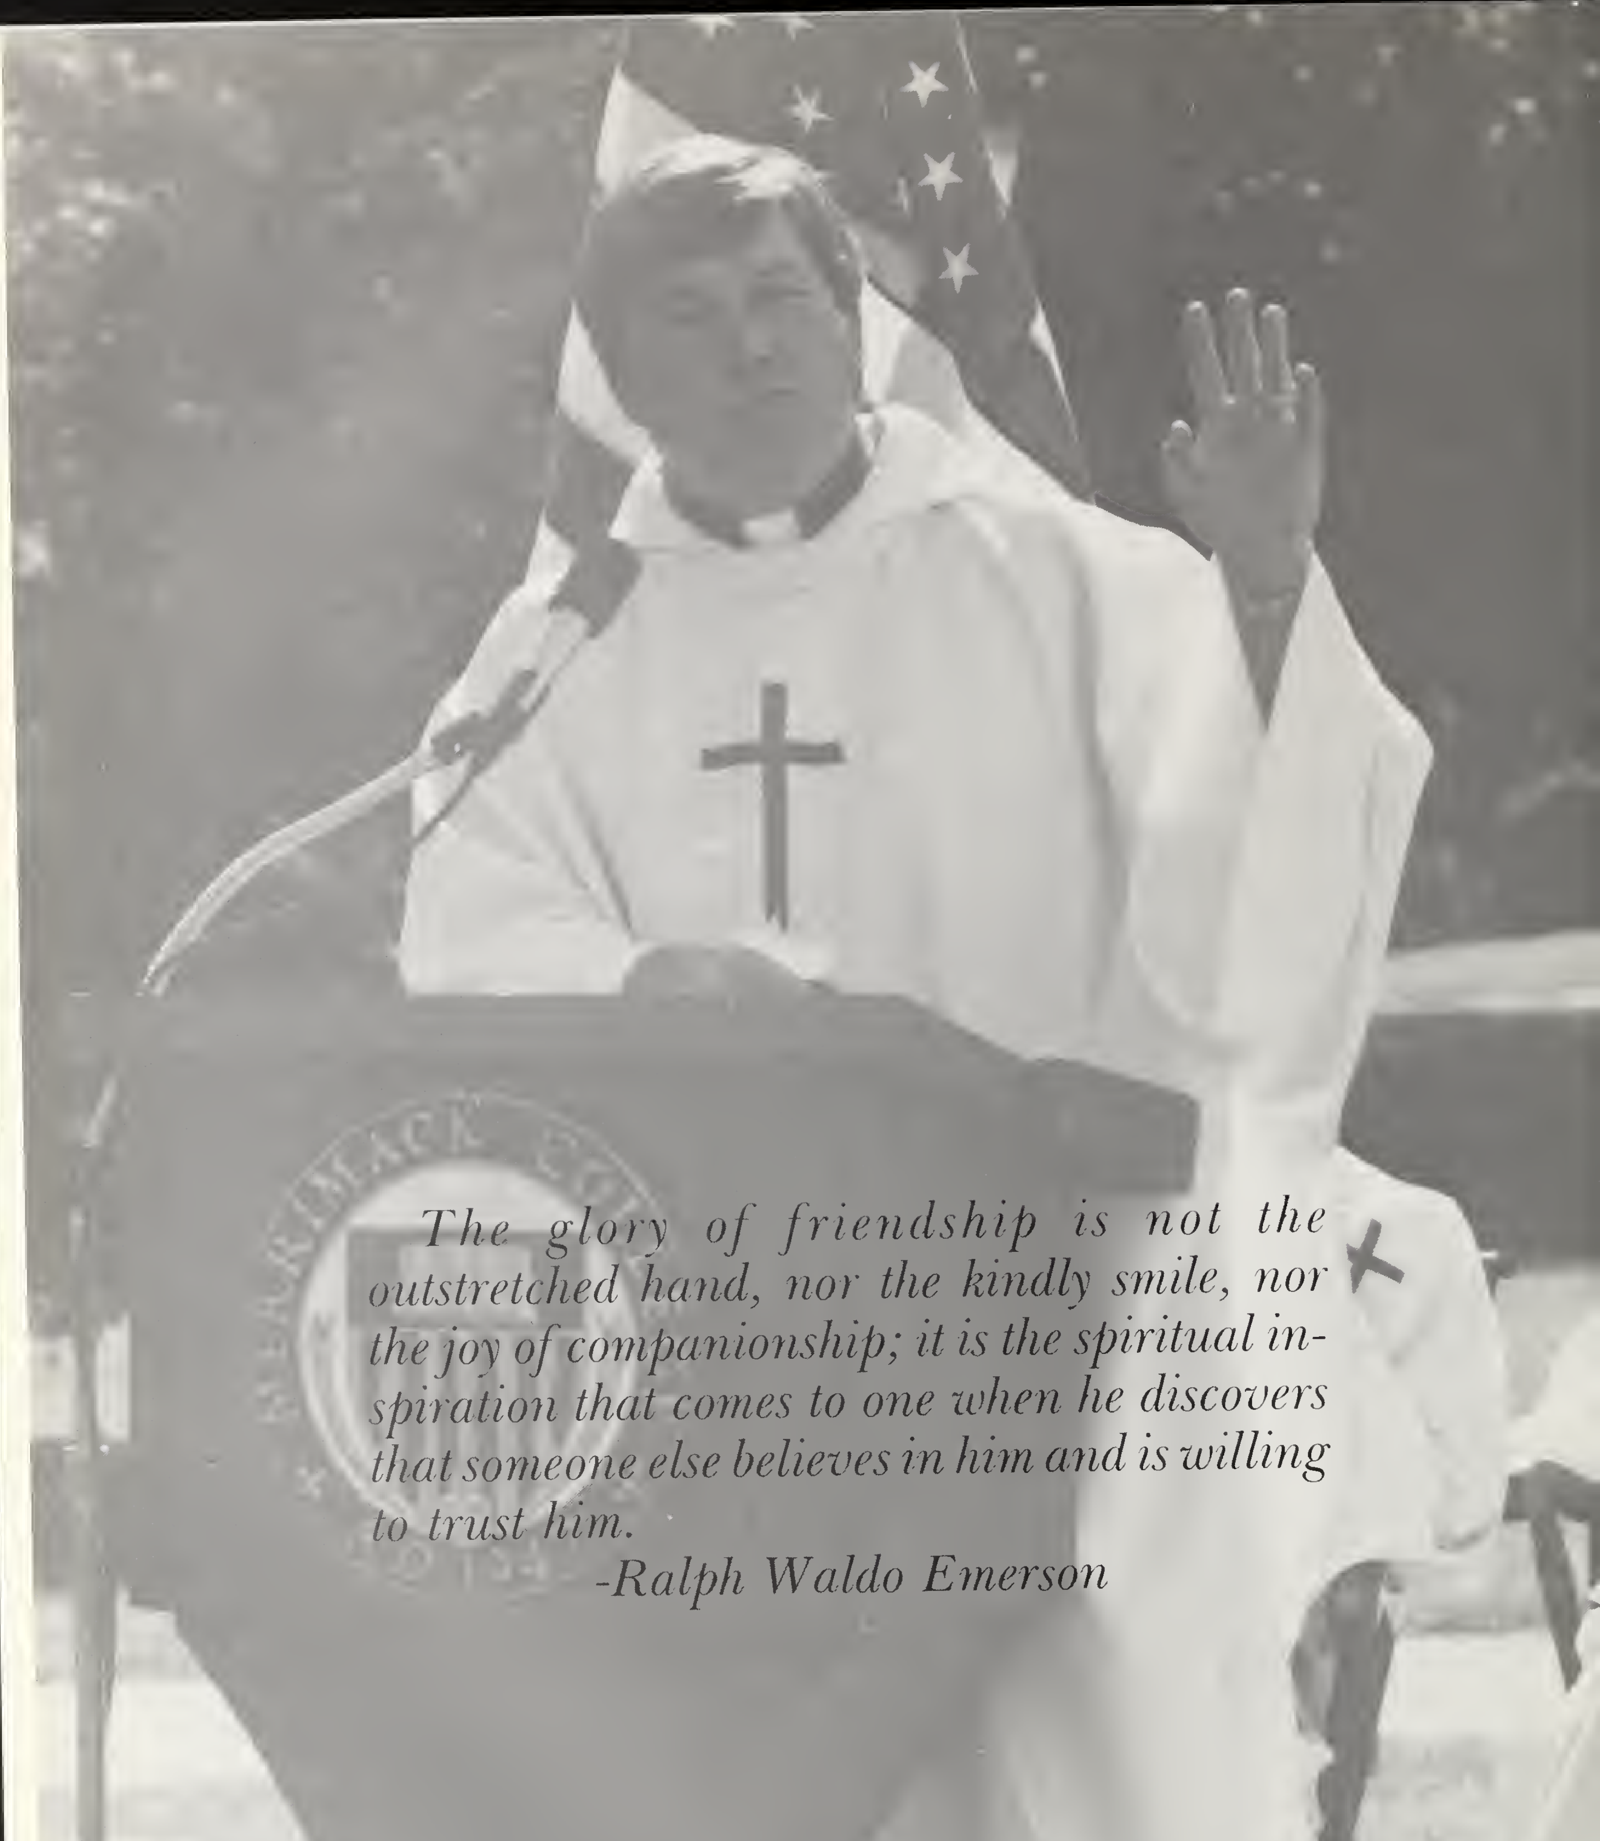
Each chapter that is ending
Leads us to a new beginning
The past that we are leaving
Means a Future we are winning.

Each change that fill the present
Set the stage for our tomorrow,
And how we meet the challenge
Helps determine joy or sorrow.

In every new beginning
Spirit plays a vital part.
We must approach tomorrow
With a strong and steady heart.

So as we turn the corner
Let's all apprehension shed
And fill our hearts with confidence
As we proceed ahead.

-Bruce B. Wilmer



The glory of friendship is not the outstretched hand, nor the kindly smile, nor the joy of companionship; it is the spiritual inspiration that comes to one when he discovers that someone else believes in him and is willing to trust him.

-Ralph Waldo Emerson

Dear Fr. Shaw:

The senior class would like to take this opportunity to thank you for all your help and guidance. All the time and effort you put into the retreat program, Balloon Day and countless other projects is sincerely appreciated. The nicest thing however, is that you still take time to help out on a more personal level.

Thank you for making Merrimack such a special place. Best wishes for future happiness. Have a nice life!

Love,
The Class of '87

FOOTPRINTS

One night a man had a dream. He dreamed he was walking along the beach with the LORD. Across the sky flashed scenes from his life. For each scene, he noticed two sets of footprints in the sand; one belonging to him, and the other to the LORD.

When the last scene of his life flashed before him, he looked back at the footprints in the sand. He noticed that many times along the path of his life there was only one set of footprints. He also noticed that it happened at the very lowest and saddest times in his life.

This really bothered him and he questioned the LORD about it. "LORD, you said that once I decided to follow you, you'd walk with me all the way. But I have noticed that during the most troublesome times in my life, there is only one set of footprints. I don't understand why when I needed you most you would leave me."

The LORD replied, "My precious, precious child, I love you and I would never leave you. During your times of trial and suffering, when you see only one set of footprints, it was then that I carried you."

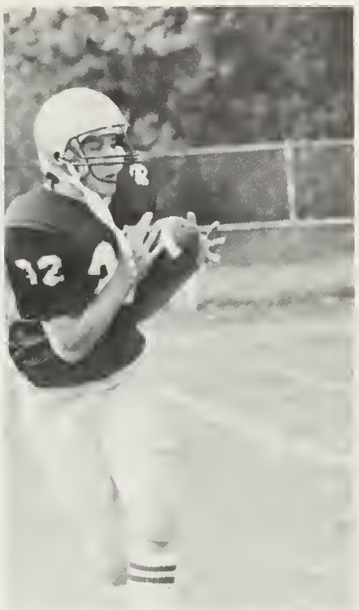
SPORTS CANDIDS



1986-87 Champions

Women's Soccer — NE-8 Champions

Men's Hockey — ECAC Division II Champions

Dear Lord:

Help me to be a good sport in this game of life. I don't ask for any easy place in the line up. Play me where you need me. If all the tough plays come my way, I thank you for your confidence in me. Help me to accept the bad breaks as part of the game and to always play by the rules. Finally Lord, if things go against me and I am benched for being hurt or someone is playing better, please help me to accept that as part of the game. Keep me from whimpering or squealing that I was framed or got a bad deal. And when I finish the final inning and the sixty minutes are up, I ask for no laurels, all I want to know is that I played as well as I could and that I didn't let you or the team down.

Congratulations to all the coaches and athletes for such a successful season. You are all winners.
